QUALIFIED SECURITY ASSESSOR

SIGNATURE

Conditions:

1. This certificate offers no guarantees or warranty to any third party that the company is invulnerable to security attacks, breaches or any other technology weakness. Accordingly, AVNET accepts no liability of any third party in the event of loss or damage of any description caused by any failure in or breach of customers security.
2. This certificate is to indicate that the organization has been audited against the objectives of the PCI-DSS requirements and was found compliant on the date of issue.
3. This certificate is issued in conjunction with a Compliance Report and is only valid as long as the terms and conditions stipulated by the PCI-DSS and in the report upheld.
